

The American people need healthcare reform. We need you, a leader in our community, to stand with us for healthcare reform. We need real change, and it begins with your support. Take the pledge:

Give America a choice. I am a small business owner and I support healthcare reform that allows individual Americans to choose either a universally available public healthcare option like Medicare or for-profit private insurance. A public option is the best way to provide guaranteed healthcare for all Americans.

Please sign this card today. Be sure to include your name and contact information printed clearly and mail it back to us. Democracy for America will be sure to add your name to our list of supportive small business leaders.

Thank you for your support.
